

Shutter Surveyor / Installer

Shutterly Fabulous and John Lewis Shutters

Currently recruiting NATIONWIDE

TCMM Shutter Group are seeking an experienced plantation shutter Surveyor / Installers, to join their expanding Shutterly Fabulous and John Lewis Shutters teams. This opportunity would suit an individual currently working in the window shutters sector.

You will be working on a self-employed basis with the potential earnings of £40,000 - £50,000+ per annum.

The role will require you to survey only on your initial visit, then install the order when they arrive a few weeks later. A normal week would look like 2-3 days of surveying and 2-3 days of installing. Carpentry skills with experience of the shutter industry are essential, along with excellent communication and customer service skills.

Full extensive product and process training will be given. You must have a Full UK driving licence. Own van is not essential as lease options are available with mileage contribution.

So, if you feel you have the necessary skills to apply for these exciting new opportunities, please apply by sending your CV and covering letter over to us.

Job Type: Full-time

Salary: £40,000.00 to £50,000.00 /year OTE
